BPP Learning Media's Exam Navigator has been developed to complement the core curriculum and to facilitate the learning process and is not to be used as a substitute for study of the prescribed curriculum.

What Will the Exam Cover?

The CFA® exams are based on the Candidate Body of Knowledge (Learning Outcome Statements), which is organised into ten major areas:

- Ethical and Professional Standards
- Quantitative Methods
- Economics
- Financial Reporting and Analysis
- Corporate Finance
- Equity Investments
- Fixed Income
- Derivatives
- Alternative Investments
- Portfolio Management and Wealth Planning

Examination Sittings

Entrants to the CFA® Program must pass all three levels of examinations sequentially. Candidates face six hours of examination at each level, broken down into two three-hour papers. The Level I exam takes place twice per year in June and December and the Levels II and III exams take place once per year in June.

A Guide to Exam Navigator

Distance learning programs have become increasingly popular over the last few years and our CFA Exam Navigator has been designed to enable you to study effectively and efficiently, keeping you motivated every step of the way. From CFA® Level I, to CFA® Level II, all the way through to CFA® Level III, place your studies in safe hands. Unlike other providers, BPP Learning Media's Exam Navigator has been written to support the CFA® Institute's curriculum so with your Assigned Readings, supplied by the CFA® Institute and Exam Navigator you have everything you need to pass the examination at your first attempt.

Embark on a New Distance Learning Experience with Exam Navigator

Organised into manageable study sessions Exam Navigator has been designed to help you work through the Assigned Readings. Study sessions have been given a priority rating to help you plan your studies more successfully. Covering the complete syllabus it ensures that all core subject areas are covered and provides continuous assessment and question practice to keep you focused for the exam.

Exam Navigator Components
